# INDUSTRY MEETS FMD

at productronica 2017

**Forschungsfabrik  
Mikroelektronik**  
Deutschland

# PROGRAM

Messe München | Hall A2 | Room 22

- 16.15 FMD as a new cooperation model for microelectronics research in Germany – overview and Fraunhofer contribution  
Prof. Hubert Lakner,  
Chairman Fraunhofer Group for Microelectronics
- 16.30 Leibniz IHP and Leibniz FBH within FMD  
Prof. Bernd Tillack, Scientific Director IHP GmbH - Innovations for High Performance Microelectronics
- 16.40 FMD Business Office  
N. N., Managing Director FMD
- 16.45 Silicon-based Technologies  
Jörg Amelung, Technology Park Manager
- 17.00 Compound Semiconductors  
Dr. Steffen Breuer, Technology Park Manager
- 17.15 Heterointegration  
Dr. Stephan Guttowski, Technology Park Manager
- 17.30 Design, Test and Reliability  
Dr. Michael Galetzka, Technology Park Manager
- 18.00 Visit of the joint Fraunhofer and Leibniz booth and exhibitor evening (B2. 317)

Fraunhofer Group for Microelectronics in cooperation  
with the Leibniz institutes FBH and IHP
